Ms. Kelli A. McCarthy, Reports Analyst

Federal Election Commission
Washington, D. C. 20463

Dear Ms. McCarthy:

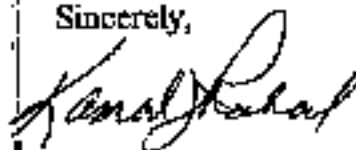

This letter is in response to your letter of June 19, 1998 and our subsequent telephone conversation regarding our 12 Day Pre-Primary Report (4/1/98-5/20/98).

Attached is page 4 of 4 for Schedule B, Itemized Disbursements. This represents In-Kind Contributions which were reported in Schedule A, Itemized Receipts, but not recorded in Schedule B, because the aggregate amounts did not exceed \$200.00. As we discussed these were itemized in Schedule A because contributions exceeded \$200.00 only because of additional cash contributions. Our report is not being amended because no other figures on the report as submitted are affected by this change. The attached page can simply be attached to the page 3 of disbursements. The totals are \$335.00 for page 4 and \$72,723.38 for total itemized disbursements.

To my knowledge, the software packages currently in use by most committees are not designed to report expenditures totaling less than \$200.00 even if the expenditure is an In-Kind contribution. I hope you will address this with appropriate FEC officials.

Thank you for calling this matter to our attention. If we can provide additional information, please contact me at 703-281-4032.

Sincerely,

Kamal J. Rahal
Treasurer
